

# Welcome to our Kitchen

When you come from a big family you quickly (emphasis on quickly) learn three very important things: 1. How to love, 2. How to forgive, and 3. Don't ever be late for dinner. The world is filled with restaurants, but Miguel's is not your typical, average, run-of-the-mill restaurant. What makes us different? We never scrimp, or cut corners, especially when it comes to our food and our recipes. For instance, there are over twenty-four unique ingredients in our Mole sauce alone. We never use boxed or freeze-dried anything, just family recipes that have been passed down, refined, and improved over the years. In other words, we never, ever compromise. We use only the finest aged cheddar cheese (from waxed wheels that we shred ourselves), the best rice and

beans (cooked to perfection every day), premium seafood, aged beef, tender chicken, and the freshest salads and veggies. As for our margaritas, they're the best ones around. We make them with 100% Blue Agave tequila (no preservatives or additives) and tasting one will say it all. In fact, since we make everything from scratch it is often easy for us to change an order, accommodate any special diet, or customize your order. If it's at all possible to accommodate your request we will happily do so. It's our promise to make you feel welcome and part of the family because after all, you are eating in our kitchen. Thanks for the opportunity, Maria, Pops, and our staff.
